Proposed **Three Rivers Interconnection Project**

This notice provides the Federal Energy Regulatory Commission staff's revised schedule for completion of the final environmental impact statement (EIS) for Alliance Pipeline L.P.'s (Alliance) Three Rivers Interconnection Project. The first notice of schedule, issued on February 10, 2022, identified September 16, 2022 as the final EIS issuance date. The Project would be located in the vicinity of a facility regulated by the Nuclear Regulatory Commission which required the completion of a safety analysis to determine if the action would impact safe operation of the facility.<sup>1</sup> The findings of this assessment and any subsequent actions or requirements were necessary for staff to complete the final EIS for the project. On November 16, 2022, Alliance submitted a summary of the findings of the completed safety analysis and staff has revised the schedule for issuance of the final EIS.
